Registration Information

Registering

- Breeders registered with BAI should register their litters/pups not later than 6 months of age.
- The cost of registering a pup is \$50.00 per pup. The \$50 includes membership to BAI for the new puppy owner. If the new owner already is a member of BAI complimentary membership WILL still apply. Please note that payment must be received at the time of lodgement of the litter registration.
- All registration papers are sent out via electronic mail/email. If you prefer you or your buyers be issued with a postal copy, you must indicate on the registration form.

Types of registration -

• **Pet Only/NTA (P)** This means PET ONLY - NOT TO BE APPRAISED. These pups are added to BAI pedigree database as pet only/NTA. If the owner/breeder wish the pet only to be appraised at a later date, it can be upgraded to Limited. Requests for Upgrading will only be accepted by the Breeder, and must be submitted before a dog will be accepted for Appraisal.

• **Limited/Hold (LH)** Limited registration allows this tier of dog to attend a BAI appraisal. Dogs can be appraised from the age of 12 months. Once successfully appraised, an upgrade to Open registration will be issued only at the breeders request. Note; Holding the upgrade to open examples may include (but is not limited to), buyer/seller agreements, contracts and/or outstanding monies. Unappraised parents of an appraised dog will remain on hold until both parents have been appraised.

• **Limited/Auto (LA)** This tier is the same as above, but upon successful appraisal, qualifies the dog be upgraded to Open automatically. Note; examples may include (but are not limited to) agreements and/or contracts not in place and/or co-ownership of the the dog.

• **Unlimited/Open (O)** Is for dogs being sold outright, with no breeder contracts or outstanding monies/agreements. This tier of registration places the dog on an Unlimited register and they will automatically be listed as Open, upon passing an appraisal.

- It is not the responsibility of BAI to ensure monies, health reports etc, from either breeder or owner have been collected at the time of appraisal or pre/post appraisal. This is the responsibility of the breeder. It is the responsibility of the breeder to ensure all contracts and requirements have been met.

Change of Ownership and Deceased dogs

- If at any time the dog's ownership changes the club has an Application for Transfer that can be found on the website - www.boerboelaustralia.com.au. Breeders may send notification in writing also to registrar@boerboelaustralia.com
- It is the responsibility of the Breeder and/or owner to advise BAI of the death of any Registered dog, but is not mandatory to do so.
